

# IT ALL STARTS HERE

Alayne Heuken files a RO with the Hayward Hall of Justice on July 02, 2020. This petition is accepted by the Family Law clerk.

THE Honorable Victor A. Rodriguez is given a petition Requesting a Ca protective order using the \*Approved\* Juducial Counsel , Family Law DVRO forms, specifically, EARO , filed by Alayne Heuken,

ONE of THREE situations is TRUE

Judge Rodriguez chose to either:

NOT read it

READ IT, but fails to notice obvious issues/ mistakes made

Reads it but willfully disregards problems

? ? ? ? ? ? ?

What is a FACT,

IS WHAT RODRIGUEZ DOES:

GRANTS TRO + EX PARTE move out order

Hayward Police Department deliver the TRO

Wait...  
What  
about  
MY  
PETS?

I am to understand that police officer opinion s are held to a high degree in the court as a testimony. Officer D. Allen never gave me the impression that he felt I was in any way a har m to my grandmother. In actuality, D. Allen al luded to my Grandmother being 'crazy' when I w ent to the police department in person (the sa me day I was laughed at on the phone when I tr ied to file a restraining order myself -- this occured in a short conversation outside

I had 10 minutes to pack only the 'essentials' (whatever the fuck that means), clearly the JC did not consider a situation when the judge chooses not to care about the pets involved  
\*\*a.b. 2274\*\*  
Bill Quirk's bill to give family's pets "rights."

My life was changed drastically ever since then. It has only gotten worse.
